

School Voluntary Contributions and Charges 2018

The State Government and the Department of Education permit the school to seek payment of Contributions and Charges for each student enrolled at the school. The Contributions provide the school with funds to supplement our own resources in purchasing materials and resources valuable in the education of students enrolled at the school. The Contribution and Charges schedules have been endorsed by the School Board and are published here to inform parents of anticipated costs for 2018.

K – 6 Contributions	Amount
<p>In accordance with the Department of Education Contributions, Charges and Fees Policy, schools can request up to a maximum contribution of \$60.00 for Years K – Yr6</p> <p>The funds are used towards the cost of materials, services and resources used by students in the educational program. K - 6 Charges for Optional Activities throughout the Year

Charges apply for the provision of extra cost optional activities that are part of an education program and which “contributions” do not cover. All activities outlined below are optional and if no payment is received, an alternative educational activity will be provided for your child.

The estimated costs provided are set as an upper limit and will not exceed the amount shown. If a particular event does not transpire within the school year, no charges for that event will apply.

Payments of the following charges are not required at the time of finalising payment of contributions. Where staff arrange extra cost optional activities, payment will be requested immediately prior to the activity. This will occur throughout the year.
